Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S.

With at least 50 requests please hold a public meeting to review the environmental and land use issues of the proposed clear cutting of a large wooded lot bordering Kubota Gardens.

These trees are very special and sacred and deserve to not be cut down for selfish reasons. Please reconsider developing in other areas that don't have beautiful trees already occupying the land.

Thank you for your time.
